Council Introduces Dog Leash Ordinance

The first step towards leashing all Daly City dogs was taken Monday night by the city council when they voted to introduce "the animal ordinance." City Attorney Frank Blum and council members clearly stated, however, that details of the proposed ordinance may be changed before its adoption.

Date for public hearing on the leash law has not yet been scheduled.

The proposed ordinance not only states that dogs must be leashed or at "heel," but also gives the poundmaster and his deputies police powers.

Specifically the law declares:

"No person owning, having an interest in, harboring, or having charge, care, control, custody or possession of any dog shall cause or permit such dog to be in or upon any public street, alley or other public place or in or upon any unenclosed lot or premises, unless such dog be under restraint by leash or chain or at "heel" beside a competent person and obedient to that person's command, or confined within an auto."

Misdemeanor

Violators of this and other sections of the ordinance are said to be guilty of a misdemeanor, to be punishable by not more than \$500 or by imprisonment in the city jail for not more than six months, or both. Each day of violation counts as a separate offense under the proposed ordinance.

The poundmaster, in his new capacity of police officer, will be given the right to make arrests for violations of the ordinance.

He also will be allowed to "enter upon any premises upon which any animal is kept, for the purpose of taking up, seizing or impounding any animal found running at large, or staked, herded or grazed thereon, contrary to the provisions of this ordinance or for the purpose of ascertaining whether such animal is registered as provided in this ordinance, or for the purpose of inspecting the premises to ascertain whether any law of the City of Daly City or State relating to the care, treatment, or impounding of dumb animals is being violated."

Barking Dogs

The ordinance also places a more stringent control on barking dogs:

"The keeping or harboring of any dog, cat or other animal or fowl, whether licensed or not, which by habitual howling, yelping, barking, or other noise disturbs or annoys any considerable number of persons or neighborhood is unlawful, and is hereby declared to be a public nuisance."

Andersen's So Proud Of Product - 'Gives It Away'

Dan Andersen, former city administrator and now salesman at Van Etta Motors, is minus transportation this week with the theft of his month-old 1955 Mercury Wednesday afternoon from the Mercury-Lincoln dealers car lot. The car had only gone 500 miles, according to the victim.

Ironically, Andersen had just sold a second car the day before the theft.

In the car at the time of the theft were a camera and set of golf clubs.

Elementary Trustees Limit Wording Of 5c Rec Tax Resolution

The Jefferson Elementary school board, following receipt of a letter from District Attorney Keith Sorenson, reworded the resolution approving a five-cent recreation tax to state that the district "shall assess the sum of five cents per \$100 assessed valuation for the purpose of community recreation for the 1955-56 school year."

Earlier trustees had passed the resolution to include use of the \$18,000 taken in by the tax for capital improvements on playgrounds.

The board said that they will make a decision on specific use of the tax sometime in the "future."

HOLD GALA PARADE SATURDAY

"David's Parade" is all set to go this Saturday because of the enthusiastic cooperation of local groups and merchants.

The parade, to be preceded by the "Little Miss Daly City" con-

test at 10:30 a.m., will start at 1 p.m. Route will be: start at Hillcrest, up Hillcrest to Mission, down Mission to Knowles, down Knowles, across Junipero Serra and continue down Alemany, turn at Park Plaza and disband in back of the Westlake Shopping Center.

Girls entering the "Little Miss Daly City" contest are asked to contact the recreation department by Friday at 5 p.m. to register. The winner of the beauty contest for aged 3 to 5 girls will be crowned by originator of the parade, Westlake's David Steward.

The youngest, judged the fairest of the fair by the city council at the War Memorial building, will ride in the parade on a float with her older counterpart, Janet Watson, "Miss Daly City."

Chamber Trophies

She will be presented with a miniature trophy proclaiming her "Little Miss Daly City," and her name will be engraved on a per-

COUNCIL DENIES REQUEST OF CITY EMPLOYEES ASSN.

The city council Monday night turned down the request of city employees to continue counting Saturdays as a working day, therefore, the council limits vacation time to two weeks for employees having worked for the city less than ten years.

Vote was three-to-one. Councilman Ed Dennis abstaining. Dennis stated that he, as a "union official," favored 16 days off.

City Council Again Denies Request For Fired Cop Hearing

Application for rehearing of the David H. Johnstone Jr. dismissal was denied for the second time Monday night by the city council. Again the vote was three to one. Councilmen Joseph J. Verducci, Michael DeBernardi and Sanford Vickers casting votes against the rehearing, and Councilman Ed Dennis voting for the rehearing.

On August 8 attorney for Johnstone, John J. Fahey, Jr., filed an order of intent to ask for a rehearing with the council on August 22. At that time the council stated that they would turn down the request.

Johnstone was fired from his job as police inspector by the council because of "association with known gamblers" and failure to inform Police Chief Roland Petrocchi of all investigations.

The civil service board of review unanimously voted to reinstate Johnstone after reviewing transcripts of a lengthy public hearing.

The council then reaffirmed their stand in firing Johnstone in the same three-to-one vote.

City Attorney Frank Blum, saying that a "fair and impartial hearing had already been held," objected to Fahey's request Monday night.

Speaking for Fahey was Attorney William D. Hanna.

WOMAN SUES CITY FOR \$10,000 IN DAMAGES CLAIM

Daly City is being sued for the sum of \$10,000 by a local woman who allegedly suffered injuries when she fell on Mission near Market street on May 11, it was learned at Monday night's council meeting.

Amy Permelia Morse, New San Francisco motel and trailer court, 6925 Mission street, claims that she fell because of "unsafe, dangerous, uneven, defective condition and imperfect construction of the sidewalk."

She also stated that there was a "ditch running the width of the sidewalk."

Injuries allegedly suffered included severe injuries to both legs, severe injury to knees, severe injury to right elbow and shock to the nervous system.

The complaint is signed by Robert J. Smith, attorney, and dated August 8.

Gigli Recovering From Auto Mishap

Peter B. Gigli, local plumber, 6185 Mission street, was reported in good condition today from injuries he suffered in an automobile accident last Saturday.

Gigli received a brain concussion and eight stitches in the head when his car and an auto driven by Mrs. Tina Dorothy Tialdi, collided head-on at the intersection of El Camino Real and Chestnut street in South San Francisco. No one was cited.

Mrs. Tialdi resides at 1645 Marco Polo Way in Burlingame. Gigli was treated at Kaiser Hospital in South San Francisco and then transferred to Mary's Help hospital in San Francisco where he is still recuperating.

Thirty-nine men and women formed an organization Wednesday evening to fight "dictatorship" in Daly City municipal government. Meeting in Little Italy hall, 6219 Mission street, they elected Arthur J. Bodien temporary chairman and agreed to a vast program of political action. Bodien is chairman of the San Mateo County Planning Commission, retired superintendent of public works with 21 years service, a former city councilman for 12 years and was one of the leaders of Daly City incorporation in 1911.

Taking the name "Better Government for Daly City," they announced the following purposes:

1. To wage a seven-month door-to-door campaign to unseat present councilmen at the election next spring.
2. To curb the powers of City Manager Howard I. Stites.
3. To protect city department heads against forced retirement or dismissal.
4. To preserve city employees' rights under civil service and retirement pensions.
5. To reestablish the commission form of government.
6. To abolish the city engineering department and require that construction expenditures be approved by the voters at elections.
7. To raise funds to help finance a court appeal on behalf of David H. Johnstone if the city council refuses again to reinstate him to the position of inspector in the police department. The group will send a delegation to the next city council meeting to request that the recommendation of the Board of Review be adopted. After Johnstone had been dismissed, the board heard charges brought against him and declared him innocent.
8. To halt the spread of city offices into the War Memorial Building, limiting its use to recreation for children and adults and for veterans' and group meetings.
9. To restore the 25-cent discount for early payment of water bills.
10. To lift the ban on volunteer firemen in uniform selling tickets to the annual ball for the pension and widows and orphans funds.

Other temporary officers elected were Herman Kalinin, vice chairman; Miss Mary Phelan, secretary, and Nate Pearlman, treasurer.

Allen J. Pettigrew, used car dealer at 6755 Mission street, declared, "I, for one, am thoroughly disgusted with the manner in which the present council has openly ignored the protestations of the people in matters which normally the people should be informed of and their opinions considered and then acted upon accordingly."

"This is definitely not the method of our councilmen. They instead have elevated themselves above all of the people and have become our judges, jurors and executioners all rolled up into one."

"This is not hearsay or my opinion. These are facts."

"I have been subjected to quite a bit of public apathy and ridicule because of the fact that I, more so than anyone, helped elect some of the present councilmen. This was true and I am admitting that I made a mistake in judgment in supporting and electing those men."

"That is why I am here. I believe that restitution should be made and as soon as possible. Had I known then that their election would turn them into egotistical, selfish, high and mighty fatheads I would never have endorsed them."

"One matter I can be thankful for is that I had nothing to do with the presence in our city of one H. I. Stites."

"Now, here is an example of the mentality of our council. They spend quite a bit of money to import this supposedly highly intelligent person in order to run our city in a more businesslike manner."

"So far, he has proved that he can spend money and spread fear

No Citations Issued In Mission-Knowles Mishap

No citations were issued in a Mission and Knowles intersection accident early Wednesday morning.

The collision occurred when a car driven by Mary Alice Leonard, 59, 90 Cumberland street, San Francisco, collided with an auto driven by Herman Shine, 33, 1930 46th avenue, also of San Francisco.

GROUNDBREAKING for the new Westlake Clubhouse was held this week as construction got under way on the \$25,000 structure which will be part of Westlake Park. Officials look on as John Doelger takes the

first spadeful. They are (from left to right) Jack Kendree, managing director of the Westlake Shopping center, Howard I. Stites, city manager, James Mason, recreation director and Mayor Joseph Verducci. The

clubhouse will be donated by Henry Doelger. Construction will be completed in 60 days, according to John Doelger. Gardeners also began sowing grass seed for the park this week.

sula Social Club ballroom. There, before hundreds, one of the beautiful contestants will be crowned Queen Isabella by a celebrated official. The Grand March of Officers, representing the entire federation will begin the program of festivities to follow for two days.

Don Armando's eight-piece band has been booked for dancing on Saturday night from the hours of 9:00 to 1:00 P.M. Price of admission is \$1.00 per person.

Sunday, October 9th, a giant banquet will be held for 700 people, which will include officials throughout the State. Entertainment by known stars will be featured, along with after-dinner dancing. President Casentini invites all citizens of San Mateo County to participate in this great day of celebration.

not convincing. His estimates of revenue are considered not supported by proof of definite assurances of substantial and continued patronage by the public. Residents of the Westmoor area would in all probability drive a little farther to avail themselves of the more frequent schedules of the San Francisco Municipal lines' service rather than use applicant's limited schedules.

Hearing on the Perkins application was held July 15. Opponents of the Westmoor lines were Daly City, San Francisco and Pacific Greyhound lines. Speaking in favor of the route from Broadmoor to West Portal in San Francisco were Amos L. Bechtold and Joseph Cartwright of Broadmoor and West Portal merchants.

Both sides argued at the hearing that the public supported their cause. The report of the commission stated that protesters Pacific Greyhound lines and Northgate Transit company presented "no reasons" why the application should be denied.

Also declared by the commission was that Daly City objected to grant of Perkins application because it would "tend to take traffic and revenue from Northgate Transit."

2. License fee for each male dog and each spayed female dog shall be \$2, while fee for each unspayed female dog shall be \$4. License fees shall be payable before July 1 of each year under the proposed ordinance.

Councilman Del Wilson is still sick and was unable to attend the meeting.

The problem of Saturdays arose when the city went from a 44 to a 40-hour week and many departments continued considering Saturdays as a working day, thereby preventing longer vacations.

Councilman Michael DeBernardi expressed the opinion of the majority vote when he stated that the previous council, under whom working hours were changed, did not intend to imply that Saturdays would continue being considered as working days.

The ordinance also stipulates that each dog over the age of three months must be licensed. The fee for license is still to be determined. Blum has suggested two alternatives to the council in the proposed ordinance:

1. License fee for each dog shall be \$3.

Council Introduces New Dog Leash Ordinance

(Continued from Page 1)

and each day shall constitute a separate offense.

Also considered a nuisance and unlawful under the proposed ordinance are dogs damaging private or public property.

Dogs considered a nuisance, either by barking or by damaging property, may be impounded by the poundmaster.

The ordinance stipulates that the following will constitute sufficient cause for considering a dog a "nuisance":

"When it shall be affirmed in writing by three or more persons having separate residences, or regularly employed in the neighborhood that any animal is a habitual nuisance by reason of trespassing, howling, barking, or other noise, or damage to property, being vicious or by its actions potentially vicious or in any other manner causing undue annoyance, the poundmaster if he finds such nuisance to exist, shall serve no-

tice upon the owner or custodian that such nuisance must be abated."

Any person finding a stray dog or any animal running at large is ordered to contact the poundmaster within eight hours of discovering the dog.

Dog Bites

A dog owner is required under the proposed ordinance to report to the health officer when his dog has bitten any person. Any dog shown guilty of biting someone shall be quarantined for a period of 14 days by order of the health officer.

Animals impounded may be sold by the poundmaster to the person offering to pay the highest cash amount if the animal is not re-deemed by his owner within five days. If the animal can not be sold within a "reasonable" period after the five-day limit, the poundmaster is given the authority to kill the animal "in a humane manner."

If, after the animal is sold by the poundmaster, the original owner of the animal wishes to redeem his pet, he may buy the animal from the second owner at the sum paid by him to the poundmaster plus \$1 for each day the second owner has the animal in his possession.

KQED ADDS DAY TO SCHEDULE . . . This week inaugurates the first week of KQED programming on a five day schedule. The addition of Tuesday to the program week has been made possible through the generous response of citizens including many viewers from our area who rallied to the support of Channel 9 in the recent emergency fund drive which raised a total of \$67,252 by more than 7000 individual contributions.

This week also marks the debut of two new live shows, "Tempest in a Teacup," a new teenage series on chemistry presented in cooperation with the American Chemical Society, on Wednesdays at 7:30 p.m. and "Stop, Look and Listen," with naturalist Janet Nickelsburg, to be viewed on Thursdays at 5 p.m.

With the addition of Tuesdays to the program schedule, KQED will standardize its hours on the air, beginning at 4:30 p.m. each weekday afternoon and 7:30 p.m. each evening.

The afternoon schedule for Tuesday includes at 4:30 p.m. the program "Religions of Man," a series dealing with the origins, founders, and teachings of Hinduism, Buddhism, Confucianism, Taoism, Judaism, Christianity, and Islam. At 5:00 p.m. the popular children's show "The Friendly Giant" will be seen. The evening schedule for Tuesday starts at 7:30 p.m. with "The Young U.S.A." featuring Father Francis J. Bannon, of St. Louis University, followed at 8:00 p.m. by a repeat performance of "Religions of Man."

KIDDIES' CORNER . . . A different and very effective children's television program is "Scripture Sketches" (KRON-TV, Sundays, 2:30 p.m.) conducted by Lois Fisher who relates Bible stories and illustrates the stories by sketches. The program is well produced and particularly outstanding because it is so visual. Sometimes during the program Miss Fisher talks to her pet bird, Pixie, and the camera follows the movements of the bird, which is an effective way to hold the children's interest while she tells the story. She encourages the children to read the Bible and make some sketches of their own following the program.

The talented story teller is author and illustrator of a new book based on her television program. Entitled "Bible Picture Stories," the book will be released in October as the first of a three-volume series. The Children's Press of Chicago, publisher, recommends the book as "an excellent introduction to Biblical History for anyone seven or over and a fine addition to any child's library." Also the author recently held a seminar for graduate classes of Stanford University's Radio-TV Institute, dealing with behind-the-scenes TV activities and emphasizing the medium's educational uses for children.

NEW CULTURAL PROGRAM ON KRON . . . With the talented and gracious Marjorie Trumbull as writer-producer and hostess, a new live program "Sunday Supplement" will make its debut on KRON-TV, Sunday, September 4 at 3:30 p.m. The program will be patterned somewhat after the Sunday magazine section of a newspaper and will include events and people who were in the news during the previous week as well as a calendar of outstanding events to come. The scope of the program will include demonstrations and discussions on such subjects as art, literature, fashions, Bay Area homes, food and sports, architecture, medicine, juvenile programs, outstanding personalities in the news and controversial issues. In order to devote more time to the new program as well

W'lake Merchants Plan Red Tag Days

Westlake's biggest sale of the year, Red Tag Days, was announced this week by the Westlake Merchants Association. The event is scheduled to take place on September 15, 16 and 17, and will be shopping center-wide in its scope. As a highlight of the promotion, three big Red Tag Day prize drawings are scheduled to be held, with more than \$1500.00 in merchandise and government bonds to be given away. Two of the drawings (one on September 3 and one September 10th) will predate the Red Tag Days sale and the final drawing, September 17th, will be held on the last day of the sale.

All of the three drawings are scheduled for Saturday afternoon at 4:00 o'clock; and will be held in the Westlake Shopping Court. "Red Tag Days" drawing tickets are available now from all stores which are participating in the event.

The prize awards will find popular appeal among both adults and the young folks. The list (which includes more than a hundred separate items) is topped by a hundred dollar government bond, with a seventy five dollar bond and a fifty dollar bond following as second and third awards. (The bonds will be awarded at the final drawing on September 17.) In addition five full size English racing bicycles will be given away; ten English Sheffield carving sets with steak knives, valued at \$49.95 a set; ten Champion Copper Queen Fryer-cookers (as advertised in LIFE for \$39.95 each); twenty five pairs of deluxe roller skates and an assortment of giant toys.

Drawing tickets are available from merchants in Westlake Shopping Center and the contest is open to all with the exception of employees of Westlake Shopping Center stores and Henry Doelger Builder, Inc., who is participating in the promotion. Rules of the contest require that in order to win, the holder of the lucky tickets which will be publicly drawn, must be present at the time of the drawing.

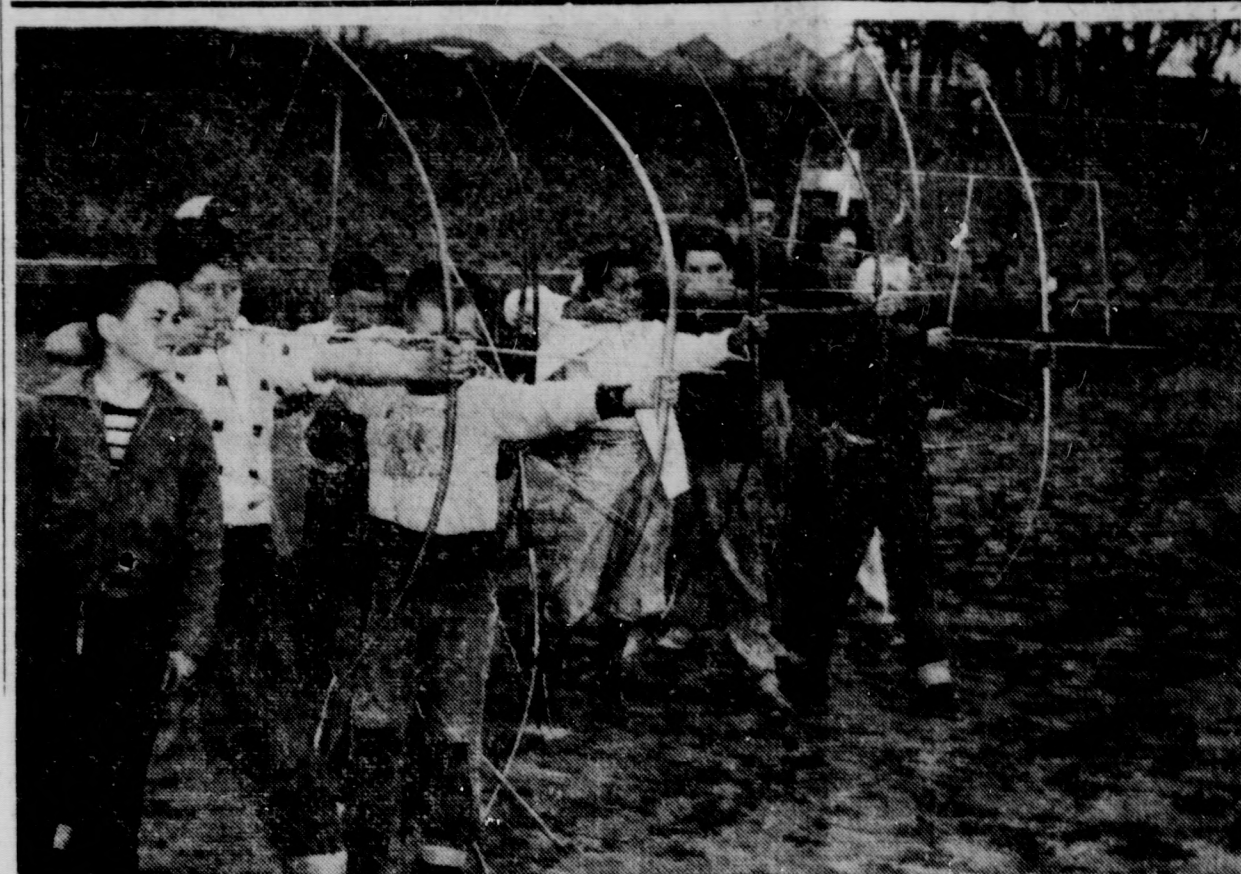

A special section of the Westlake Times will be devoted, on the week of September 15, 16 and 17, to announce details of Westlake's Red Tag Days. This edition will carry special advertising indicating values being offered on these three days.

MORE LIVE NETWORK SHOWS ON KPIX . . . Hoping to eventually eliminate all delayed network television programs, KPIX announces that this fall the station will offer more television programs live via direct microwave from New York and Hollywood or via "hot kinescope" from Hollywood. According to figures released by the station only five program hours, out of the total 120 hours the station telecasts weekly will be delayed from original net work presentation. By the end of the 1956 season, Program Manager Bill Dempsey hopes to eliminate the remaining delayed (or kinescoped) programs.

COMING PROGRAMS . . . One of America's oldest radio discussion programs, Mutual-Don Lee's "Northwestern University Reviewing Stand" (Sundays, 5 p.m., KPRC) will originate four broadcasts from Los Angeles starting next Sunday, August 28. Topics for the four Sunday broadcasts include "How Should We Prepare For Retirement?" "Should Industry Move West?" "What Can We Do About Juvenile Delinquency?" and "What Is Happening In Motion Pictures?"

ARCHERY has become one of the most popular activities of the summer recreation program. Over 400 young "Robin Hoods" from almost every playground and park in Daly City have participated throughout the summer. Wednesday Mariella Bisset and Chuck Oliveira, from Frankfort park, took the All-City double elimination tournament. The top four archers from each park competed in the tourney at the Jefferson High field. Miss Beverly Raab is the archery instructor.

Two For Tonight

By Leonore Brewer

It's still not too late to see the New York Ballet's first full length production, "The Nutcracker," being given nightly at the Opera House, with Wednesday, Saturday and Sunday matinee performances. Your last chance will be Sunday, August 28, at 2:30 p.m. Diana Adams dances one of the great ballerina roles, that of the Sugar Plum Fairy, Nicholas Magallanes is the Prince and Tanquill Le Clercq is Dewdrop in the ballet of the wonderful world of childhood, where a toy nutcracker can turn into a handsome prince.

The music to this ballet, Tchaikovsky's third and last ballet score, is familiar in various "suite" arrangements (remember, Disney used some of it in "Fantasia"), and it is Balanchine's belief that the fame of the music is greater than the fame of the ballet because "Nutcracker" has never been properly presented in complete form outside of Russia. As you know, Balanchine choreographed the present production and as he is a graduate of the Imperial Ballet School in St. Petersburg, his version of the Petipa-Ivanov classic should be authentic. It is interesting to learn that as a child at this school during the first world war Balanchine performed the title role.

One backward look at last week's "Western Symphony." If you missed it, we're sorry. Not that it's great ballet, but it's a great deal of fun and should be a staunch member of the ballet's "bread and butter" division. Karinska's costumes being almost worth the price of admission.

"Silent Sundays" You've probably noticed that the Bella Union Theatre on Kearny Street has been running a series of "Silent Sundays," during which they present some of the notable silent films. Next Sunday's program consists of "Nju" starring Conrad Veidt, Elizabeth Bergner and Emil Jannings, and "Flesh and

Private Raymond Rosa Is Stationed In Hawaii

25TH DIV., HAWAII - Pvt. Raymond Rosa Jr., 20, son of Mrs. Emma Rosa, 455 Irvington street here is a member of the 25th Infantry division in Hawaii.

The "Tropic Lightning" division is continuing its post-true training program using valuable experience gained in Korea.

Private Rosa entered the Army last January and completed basic training at Fort Ord. He arrived in Hawaii last July.

Private Rosa is a 1954 graduate of Jefferson Union High school.

Four D. C. Residents Donafe Blood

Daly City residents recently donated blood to the Peninsula Memorial blood bank.

They are Andrew J. Albright, Mrs. E. W. Muroy, Henry Sanchez and Mary B. Allen.

Blood, starring Lon Chaney. "Nju" directed by Zinner was made in 1924 during the Golden Period of the German Cinema, and was not generally shown in this country. In fact until this moment, the writer had never heard of it. Anyone knowing us will find this statement almost beyond belief, as we have always considered Conrad Veidt to be one of the all-time greats of the screen, and we can usually be found at the various Art in Cinema gatherings, plaintively inquiring re some of his films. We remember him only through a handful of talking pictures made toward the end of his career. Although we will miss his magical speaking voice, nothing could keep us from the Bella Union Sunday, August 28.

Suggestion Just in case, the management is interested in suggestions: how about bringing "The Student of Prague"? The 1926 version with Veidt, of course.

An older generation will remember Lon Chaney as a master of the art of makeup. Considering the type of role which made him famous ("Hunchback of Notre Dame" and "Phantom of the Opera" to mention only two) it's interesting to learn that at one time he was a comedian and song and dance man.

PG&E Plans Plant Near Edgemar Road

The Pacific Gas and Electric company will build a \$300,000 service headquarters on the south side of Edgemar road just off Junipero Serra boulevard, it was announced today. The plant, expected to be completed shortly after the first of next year, is included in the proposed city of Northgate boundaries.

General contractor for the project is the M. and K. corporation of San Francisco. Construction will start in two weeks.

More than 100 men will be stationed there initially to handle gas and electric service requirements of the expanding residential, commercial and industrial area of Daly City, Colma, Sharp Park, Pacific Manor, San Bruno, Millbrae and South San Francisco. Additional crews will be added as service requirements demand.

Industrial Growth

"Not only will this be helping the industrial growth of San Mateo county, it will be increasing the efficiency of service to our customers," commented Harry A. Lee, San Francisco Division Manager. "Where the crews presently are dispatched from the division's general service headquarters at 18th and Shotwell streets in San Francisco, those assigned to the San Mateo county portion of our division will be closer to their points of operation when stationed at Colma."

On a site of nearly five acres, already graded and fenced, construction will be starting in two weeks on a warehouse, a loading dock for trucks, an operations building and a building for repairing and washing vehicles. The ground area outside the building will be paved with landscaping along the boundaries of the property and on the steep slopes.

The buildings will be constructed of concrete blocks, excepting the operations headquarters which will have an exterior of stucco with a redwood trim.

DC Police Affirm Hall Suicide Angle

Daly City police reaffirmed their stand today that Ross Orville Hall, found shot through the head in his car on the Coast Highway August 10, committed suicide. The statement was made despite claims by Robert G. Walitach, 529 San Mateo avenue, Sharp Park, that he saw a "dark sedan" parked near Hall's car the night Hall died.

"We are still working on the suicide theory," Inspector Bruno Conci declared today, "however, the case has never been closed."

Conci explained that if Hall had been murdered, the killer would have had to have forced Hall to hold the gun in his hands and shoot himself since the dead man's hands showed powder burns.

The inspector and Officer John Walsh were in Sacramento Wednesday in order that the gun found in Hall's car and the shattered window pane of the car could be checked by state experts.

Coroner Meet

Tuesday Conci discussed the death with Coroner Paul Jensen, however, coroners inquest on Hall has not yet been set.

Walitach contacted Daly City police the day after the murder and reported that he had seen a "1950 or 51 Ford sedan" parked in front of what he thought was Hall's car. He said that he saw the two cars at 12:45 a.m.

The following day Walitach phoned police to correct the time given in his first report. This time he claimed that he had seen the two cars about 2:50 a.m.

"Sure Of Time"

Walitach told THE RECORD today that he was sure of the second time because he left work at 12 midnight, went across the street with three friends for a beer, left the bar at 2 a.m. and passed the spot where he saw the two cars at 2:50 a.m.

The Sharp Park resident claimed that he spotted the cars as he came around a bend in the road and that as he approached, the dark sedan took off and nearly struck him. He said that he started to chase the car, but the sedan sped away at a speed of 80 to 90 miles an hour.

Walitach declared that he could see two men in dark clothing in the sedan.

Burglar Takes 210 Golf Balls From Local Course

Sixty of the 210 golf balls stolen from the Lake Merced Golf course Saturday night were found in the rough between the tenth and 18th fairways the following day, it was reported today by local police.

Burglars apparently took the balls by breaking two windows in a one-story golf shop opposite the clubhouse. Estimated loss of the 210 golf balls and two shag bags was said to be \$125.

Arthur J. Bodien Elected Temporary Head Of New Political Organization

(Continued from Page 1)

and confusion throughout every facet of our city departments. "I, for one, would like to know if this is not a diabolical scheme to force, shame, pressure or whatever you want to call it, certain department heads into resignation or retirement."

"Apparently the word harmony and justice are not included in our council's vocabulary because there is no harmony among our city employees thanks to H. I. Stites and no justice, because they, the city employees, have been warned by the mayor not to take part in any political campaign even though their jobs, their lives and futures may be in jeopardy."

Pettigrew said the \$78.26 paid by the city to Councilman Sanford G. Vickers for witness fees at the Board of Review hearings in the Johnstone case was "pork barrel."

He noted that Vickers filed the claim with Stites in a letter dated June 30 reporting the following losses: June 23, \$26.30; June 28, \$25.98, and June 29, \$25.98. He added the claim was filed July 25 as Warrant No. 73358 and approved by the city council and paid.

Pettigrew said "he worked for the Southern Pacific Company on June 23 and received his day's wages and hence has been paid twice for the same day."

"He was subpoenaed for 8 p.m. June 23, which hearing lasted only 10 minutes and was then continued to June 29."

"It was Johnstone and not the city who subpoenaed him. The city should not be obligated to pay him a witness fee when the city did not subpoena him as a witness."

"There was no hearing in the Johnstone case on June 28, one of the days for which Vickers asked for and received \$25.98."

Pettigrew read a list of warrants issued to Stites as follows: Warrant No. 72881, totaling \$65.50 for two luncheons April 20, \$4; two luncheons April 25, \$5.25; two dinners May 5, \$4.50; six dinners May 19, \$34; luncheon and dinner May 26, \$3.25; two luncheons May 27, \$4.50; telephone toll, \$7.85, and telegrams, \$2.15.

Warrant No. 72679, the Southern, 31 dinners with beverages, \$199.71.

Warrant No. 72040, car allowance April 22 to 30, \$22.50.

Warrant No. 72257, May car allowance, \$75.

Warrant No. 72686, June car allowance, \$75.

Warrant No. 73349, car allowance July 1 to Aug. 1, \$75.

Warrant No. 72256, 11 days rent of car, \$55.

"The above is just a sample," Pettigrew stated, "of what is being done with your tax money. Thousands and thousands of dollars are being tossed around by your city government to the extent that if they do not change their habits the budget of a million dollars recently passed will soon be up to two million dollars."

Mrs. Viola De Bono said the city manager is now on a nine-day vacation at Burbank. Bodien described the long fight in Daly City for civil service, the enactment of an ordinance that did not take effect for five years because of a court injunction, and of the public support that helped with the battle in court. He added that the people voted five or six to one to establish the retirement act because city employees do not qualify for social security.

"Now," he continued, "there seems to be something in the wind. They want to get rid of the ordinance. Moreover, they want to cut down the heads of the departments."

"People have been brought here from Alaska and all around, trying to oust the employees who have worked in this city."

"There is a case here to cite. In all my years in Daly City, it is the most atrocious I have ever heard of: The Johnstone case. I sat all through that trial. I listened to every word. I think that was a disgrace."

"When the Board of Review came out with a unanimous decision recommending Mr. Johnstone be reinstated and the council comes along without a unanimous vote to ignore that decision, I think that is wrong."

"I was told one of the councilmen made a remark: 'This will blow over. It was hot a little while ago. It will cool off.' Do you want it to cool off?"

Miss Phelan interrupted to say she was told that Mayor Joseph Verducci "didn't want this to happen but stated 'they came to me and said this is what you have to do.' Who are 'they'? Who has to do what 'they' say?"

Bodien replied: "There seems to be one who came to this town and seems to be a dictator?"

He continued: "I remember when Councilmen Edward J. Dennis and Sanford Vickers wanted more people in the government. They wanted a commission form of government and they succeeded. I think those bodies did good. They made good recommendations and got the police department in good shape. A fire commission was appointed and they were getting along well after bonds passed for

a firehouse and equipment. "But then the High and Mighty comes along and what happened? Overnight, he said get rid of the commissions."

"There is a move to get rid of civil service in this town. I remember when we were changing police chiefs so often you didn't know who was chief. That is why we put in civil service. If a man does not do his duty he should be discharged. But we should have positive proof he is shirking his duty."

Bodien said "we voted money for a war memorial building. Now I find they want to take a great portion of this building and move city government into it. They couldn't find money to complete it for veterans' meetings, but they could find money to build partitions to make offices for the building inspector, city engineer and a couple of assistants."

"I hear our city manager wants a confidential secretary. Who is going to pay for all this stuff?"

City Treasurer Paul Selmi reported that since Stites became city manager, the amount of services to be paid for has increased more than \$80,000, "not including this confidential secretary and not including this assistant engineer who has not been working long enough to show up in the check registers I receive each month."

"They have to create jobs for themselves. We have an engineer and an assistant engineer. They are paying the engineer \$525 a month. He has to do something for that. He is going to have to create jobs of engineering work and that is going to mean more expense than his wages."

"They said to fit the engineer into the city according to our set-up would cost \$50,000 to \$60,000 a year. Their argument is that that saves the city money, because it otherwise would cost \$70,000 for engineering fees."

"But the money the city had to pay for engineering fees you people voted in the \$175,000 fire bonds and the \$390,000 recreation bonds. When you estimate the costs of the jobs, that engineering was figured in. Now those jobs are completed, that money is spent, and we don't need an engineer."

"When they talked about hiring an engineer, I had a councilman working for me. I said 'You don't need an engineer unless you combine the job with that of city manager.' He said 'We are hiring a city manager with engineering background.' I don't know what that meant."

"They are building up a bureau so the employees will do what they want, as the people did when Hitler came to power."

"The city claims it is saving \$65 a month by eliminating the armored car service and paying \$340 a month to take money downtown. A policeman could do that."

"They also hired an extra man to read the meters. Those services were not included in the \$30,000 I spoke of."

Rudy Brulez said, "I am mainly interested in veterans. I came here in 1908 and spent many a night and money out of my own pocket to float the bond issue for the memorial building. Isn't there a law to stop them from putting in offices?"

Bodien: "Why not get the two organizations, the Veterans of Foreign Wars and the American Legion, to go to the next council meeting?"

Selmi: "You should form a committee and go to the district attorney."

Robert E. Cochran recalled that the center was constructed during a period of material shortage and it was necessary to get clearance from Washington, D. C., to build it. The federal government consented, he said, because it could be used as a hospital or reception center in a disaster.

"If they make cubicles for offices and disaster strikes, how will they get the desks and filing cabinets and other equipment out? There are 64 organizations in Daly City that would like a place to meet."

"If the city goes in, it will gradually push everybody out, because they will keep adding. Next thing, they will have the gymnasium."

Bodien said the committee should investigate the feasibility of changing Daly City from a city of the sixth class to one of the third or fifth class. He added that a board of freeholders of 10 to 20 persons should be appointed to study some form of government that would be fitting.

"This city is going to be lopsided," he commented. "Folks in Westlake are new vet. They don't know what the city is yet. We have four councilmen, and Westlake has one. Some day Westlake will have five because they have the voting power."

"The city should be divided politically in five different sections, and the councilman to be elected should come from that section, although he would be voted on by the population in general."

The group agreed tentatively to meet again Wednesday, Sept. 7, at 8 p.m. at the Little Italy Club.

Miss Conci Marries Louis Fabbri Here

Miss Jacqueline Conci became the bride of Louis Fabbri at a recent evening wedding at Our Lady of Perpetual Help church. The couple have just returned from a week's honeymoon in Northern California and are now at home at an apartment in Daly City.

The bride is the daughter of Mr. and Mrs. Peter Conci of Daly City. She is a 1953 graduate of Jefferson Union High school and is now working for an insurance company.

The groom, son of Mr. and Mrs. Martino Fabbri, has just recently been discharged from the army. He is majoring in business at San Francisco City college.

Mrs. Fabbri's wedding gown was fashioned of white lace with a ballerina-length skirt of accordin pleats. The dress had a low round neckline and short sleeves. She wore matching lace gloves.

A crown of seed pearls held her fingertip length veil. She carried a spray bouquet of white orchids and bouvardia.

Mrs. William Craig served as atorn of honor, and bridesmaids were the Misses Marion and Barbara Fair and Joyce Webb.

All attendants wore dresses fashioned with full ballerina skirts, fitted bodices, elbow-length sleeves and low rounded

necklines. Each gown featured a stylish bow tied at the back of the dress.

Mrs. Craig's dress was of a shrimp shade, and the bridesmaids' gowns were of aqua. The attendants carried old-fashioned bouquets of carnations and wore matching flower wreaths.

Flower Girl Vin Walmouth wore a gown identical to Mrs. Craig's. Ring Bearer duties were taken by Chris Fabbri.

Martin B. Fabbri served as best man, and ushers were Otto Schutt, Robert Lanza and Augustine Campo.

For her son's wedding, Mrs. Fabbri wore a gray lace dress, black accessories and black cape.

Mrs. Conci's dress was also of lace, but was fashioned with a lace jacket of a rose shade. Matching rose accessories complimented Mrs. Conci's ensemble.

Following the wedding, a reception was held at the Italian-American club on Mission street. About 400 guests enjoyed a buffet supper.

Special out-of-town guests were Mr. and Mrs. Ed Watson and children from Portland. Mrs. Watson is the groom's aunt.

Other special guests were Mr. and Mrs. Louis Dini of Mountain View, the groom's grandparents.

NEWLY WEDS Mr. and Mrs. Louis Fabbri cut their wedding cake following recent rites at Our Lady of Perpetual Help church. Mrs. Fabbri, the former Jacqueline Conci, is the daughter of Mr. and Mrs. Peter Conci, while her husband is the son of Mr. and Mrs. Martino Fabbri. The couple are now making their home here following a honeymoon in Northern California.

Vista Grande Men To Attend Retreat

A group of ten men from the 101 Vista Grande Avenue Christian church will be attending the Men's Retreat to be held at Lake Sequoia the last of this week. The group is headed by Floyd Fister, president of the Christian Men's Fellowship.

Others to go are James Yarbrough, Harold Emmert, John Morton, Dan Davis, Bernard Green, Tom Green, Robert Miller, Everett Allen and Howard Patrick McConnell.

Dr. McConnell will return so as to be in the pulpit Sunday Morning. His subject, honoring the Commission on Christian Education headed by Lila Pfleg is, "How to make the Most of the Year of Education."

The usual Thursday evening dinner will be held on Tuesday evening of this coming week in order to honor Rev. Richard and Mary Friedline students at Phillips University, and who have recently returned from Palestine. They will show pictures of the Holy Land. While in Daly City they will be guests of old time friends, Mr. and Mrs. Harold Emmert.

Dr. McConnell announced that his church is engaging in a full summer schedule and that he will be in the pulpit each Sunday. He expressed pride in the summer choir of twenty voices. The choir is directed by Mrs. Bernard Green.

A 66-year-old man, who told police that he was "exercising" his broken leg, tripped while crossing Junipero Serra boulevard Sunday afternoon and again broke his leg.

Court St. Mary Holds First Whist Party

Court St. Mary No. 1155 will hold its first whist game of the new term on Thursday, September 1, at 8:30 p.m. in the Masonic Hall, 17 Hillcrest drive.

Mrs. Maurice Clark, grand regent, has appointed Mrs. James Guglielmoni whist chairman for the year. She will be assisted by Mrs. Jack Fair and her committee for the September whist.

Along with a \$5.00 cash prize will be many other prizes. The public is invited to attend.

Youth Injured In Back Of Village School

William Chisholm, 9, of 18 Village Lane, was treated at Junipero Serra Hospital Thursday for a leg injury.

The youth, who was playing at

the Garden Village School playground, slid down the hill in back of the school on a board. The board had a nail in it and tore his leg. He received 16 stitches and was released.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

Customer's letter describes thrill of telephone conference call

"Dear Sirs: Recently my brother arranged a conference telephone call with me and our two sisters. We each live in different parts of the country. The operator let me know about it at noon and said we would all be able to talk to each other at the same time. That night, right on time, it was carried out perfectly. It was as though everyone was right in my kitchen, it was so clear. I do want to thank all who helped make this thrilling experience possible."

MRS. CLARA B. WILCOX

We certainly appreciate letters like this, for they tell us we've succeeded again in making the telephone still more useful to you. And that's the most important part of our job. Pacific Telephone works to make your telephone a bigger value every day.

Take life easy with extension phones

Can't you picture the convenience of always having a telephone within easy reach? You could relax on the patio or porch, for instance, without having to move to answer a call. And with telephones in the living room, kitchen, and any other room you use a lot, your telephone arrangement for easy living is complete. You save time and countless steps. Cost: Less than a nickel a day for each additional phone. And remember, too—if you're planning to build or remodel—that it's easy and inexpensive to include built-in telephone wiring and outlets in your plans. They'll make your home even more modern and livable. For free advice on built-in wiring, or more facts about extensions, call your telephone business office.

30 Years in San Francisco

A familiar figure to thousands of San Francisco telephone customers is Stephen J. Erigero, Outside Representative, shown on the left being congratulated by E. D. Maloney, Vice President and General Manager, for completing 30 years of service with Pacific Telephone.

Born and raised in San Francisco, Steve started work June 15, 1925, and has been able representing the Company in business matters ever since. Steve has watched the tremendous growth in the outlying districts of San Francisco, and like other Pacific Telephone people is proud to have contributed to that growth.

Plan Card Game For VA Patients

Daly City's new Chapter of American War Mothers, Vista Grande No. 77, will sponsor a card game on Friday, August 26, for the patients of Ft. Miley hospital.

Awards for the affair will be donated by the local chapter, and refreshments will be served to the patients by mothers on the hospital committee.

Mrs. Mary Thompson, VA representative for the local chapter, will be unable to attend. Taking her place will be Mrs. Jacob Hornung, chaplain. Mrs. Hornung has been very active in work connected with service men and women of the Armed Forces. Also on the committee are Mrs. Chrystal Schuszler, a VA representative and president of the local War Mother's group, and Mrs. Ann Walters, ways and means chairman.

The American War Mother's are now welcoming applications for the local chapter. Mothers of a son or daughter in any branch of the service are eligible. Meetings are held on the second and fourth Thursday of each month in Little Italy Hall, 6231 1/2 Mission street, at 8 p.m.

For further information anyone interested is asked to call Mrs. Chrystal Schuszler, JU. 4-7721; Mrs. Winifred Evans, PL. 5-1359; or Mrs. Patricia Fawcett, DE. 3-5696.

Garden Club Busy Preparing For Big Show

The Daly City Garden Club is busy this week getting ready for the annual Flower Show to be held September 11 in the War Memorial center. Already many entries have been registered and it is urged that those planning to participate call PL. 5-5580 for a schedule and space allotment, according to Mrs. E. M. Garrison, publicity chairman.

Although last year saw the first show by the club, the activities have been in the public eye for some years with work on the stage decor for the May Festival.

The Garden Club has attained an enviable reputation within the sphere of the California Garden Clubs Inc. of which they are affiliated, having won recognition for the monthly "Newsletter" which is printed and circulated locally to members. President Mrs. Charles Hansen and editor Mrs. Clair Yohn have met with many groups all over the Peninsula and east Bay, and have thus afforded a happy liaison with member clubs and instructive and interesting reports on the latest in flower and gardening techniques, Mrs. Harrison reports.

The current Flower Show gives every amateur in this area a chance to enter. Whether it is a potted plant of especial beauty, a single flower specimen, or a provocative arrangement, there are many awards to be given.

Most important is that interested persons obtain a schedule and register entries without delay. The deadline for entries is Sept. 1. It is necessary to allow time for entries to be properly registered by number, as the judges from the state judging school will not consider any entry by name, so that complete impartiality may be maintained.

"It is hoped that the many flower and gardening enthusiasts of this community will participate and attend this event, and thus encourage the beautification of the city, and our homes and at the same time enjoy the result of their painstaking efforts," Mrs. Harrison says.

Marian Club Holds Breakfast-Meeting

The Marian Club received Holy Communion at the 9 o'clock Mass at Our Lady of Perpetual Help Church on Sunday, August 21. Several important matters were discussed at the breakfast-meeting which followed.

Among these are a change in the date of the Communion Sunday breakfast-meeting. It will be held on the fourth Sunday instead of the third Sunday of each month. An evening of entertainment for the members parents, the essay contest and other subjects were also discussed.

On Wednesday, August 24, after the Discussion Panel, there will be a Hobo party. Refreshments will be served.

The club's President, Sidney Warren, has done an excellent job with the projects of the club. She also helped with the communion

'BEER GARDEN' TO BE THEME OF VFW 9921 DANCE

"Old German Beer Garden" will be the theme of the September 24 Lake Merced Post 9921, VFW, annual dance, it was announced today by Jack Smith, dance chairman.

Purpose of the dance is to raise money for the youth of the Daly City-Colma area. Members of the local post plan to start door-to-door ticket sales in the near future. Price of admittance is \$1 per person.

"Next week we will report on the accomplishments of the VFW with proceeds from the dances," Smith reports.

PTA Women To Hold Braille Classes Soon

A blind teacher in Temple City, California, will have Braille copies of all the textbooks for the sighted class will use this year because of the volunteer Brailleists, under the sponsorship of the Seventeenth District, California Congress of Parents and Teachers, have made those books for him. Blind school children, from Sacramento to Long Beach, will learn geography, spelling, arithmetic and history from textbooks made by those same Brailleists.

Braille transcribing classes, started by the 17th District as far back as 1951, will be held again this fall, and are open to everyone interested in learning a skill that will turn spare minutes into a service of tremendous value to blind students and teachers throughout the state.

Beginning September 20, classes will meet each Tuesday morning from 9:30 to 11:30 p.m. at the Burlingame Recreation center, and beginning September 21, Wednesday morning classes, also from 9:30 to 11:30 a.m. will be held at Cherrington Hall in San Carlos.

Those interested in enrolling may write to the 17th District Braille Librarian, Mrs. J. M.

Flohr, 136 Edgehill drive, San Carlos (telephone LY. 3-2370), or to the instructor, Mrs. G. J. Sirex, 987 Orange avenue, San Carlos (telephone LY. 3-9169).

Seventeenth District does not work alone in this project of service. The Burlingame classes will be held under the College of San Mateo, and those in San Carlos under the Sequoia Adult Evening School. The many sheets of 11" by 1 1/2" paper required for each book are contributed by the combined Lions Clubs of San Mateo county.

Completed books go into the 17th District Braille library, and are loaned out to the schools upon request. Requests often outnumber available volumes, simply because there are not enough Brailleists to transcribe the books. Currently there is a request from Sacramento for 4 copies each of some 12 textbooks needed for use this September, and every effort will be made to have them ready. This will mean intensified effort on the part of the 23 women who received their certificates of completion of the transcribing class last June, to say nothing of the others who have had their certificates for a longer time.

Graduates from this year's classes can, by their help, make this problem non-existent in the near future, according to Mrs. John D. Mitchell, publicity chairman.

CEREMONY UNITES SQUERI-MEADOWS

A double ring ceremony at Holy Angels church Saturday night united in marriage two old Daly City families. Father William Quinn officiated at the marriage of Miss Jo Ann Meadows and Angelo Squeri.

The bride is the daughter of Mrs. Thomas Coleman of 751 Niantic street and Lester Meadows of Petaluma, while the groom is the son of Mr. and Mrs. Paul Squeri of 72 Lakemont drive.

The new Mrs. Squeri, who graduated from Jefferson Union High school in June, wore a ballerina-length gown for the evening wedding. Her dress was fashioned with four layers of net over the full underskirt and featured small white satin bows on the skirt and about the neck. The gown had a fitted bodice, sweetheart neck and cap sleeves.

Her fingertip veil was held with a crown of seed pearls. She wore a single strand of pearls and heirloom pearl earrings, lent to her by a close family friend.

The bridal bouquet was made of lilies of the valley, a white orchid, stephanotis and phalaenopsis.

She was given in marriage by her step-father, Thomas Coleman. Serving as maid of honor was Miss Joanne Stevens, now of Tacoma, Washington, and formerly of Daly City. Bridesmaids were the Misses Carolyn Saunders and Joy Beecher.

Miss Stevens' gown was fashioned of pink champagne taffeta. The dress had a long bodice and net overskirt. The bridesmaids' gowns were of the same design but in aqua shade. The maid of honor's carnation muffs was aqua, while the bridesmaids carried pink champagne carnation muffs. Small flower and net crowns were of matching shades.

Carrying out the aqua and pink champagne color scheme was Flower Girl Janet Ann MacFar-

land, whose dress and hairpieces were fashioned in both colors. She carried a muf of aqua carnations.

Serving as best man was Roy Huntsman of Los Angeles, and ushers were Robert Schinler and Larry Hutchinson.

The senior Mrs. Squeri wore a navy blue crepe dress of street length. White accessories and orchid complimented her costume.

Mrs. Coleman was gownned in an aqua crystalline coat-style dress. It was of ballerina length. She wore pink accessories and an orchid corsage flown from Australia for the occasion. The bride's going-away corsage of orchids was also flown from Australia.

A reception for 300 guests at Forest Lodge followed the wedding.

Upon leaving the reception, the bride wore a royal blue knit suit, made by her mother. White accessories complimented her going-away costume. The couple will live on Hillside boulevard upon their return from a week's honeymoon in Los Angeles.

DR. SCHLISSER SR. TO PREACH AT SON'S CHURCH

The unusual case of a father preaching at his son's church will occur this Sunday at the Lutheran Church of Our Savior, Junipero Serra and Garfield street in San Francisco, near Daly City.

The Reverend Dr. Luther M. Schliesser, Sr., of Youngstown, Ohio, will be in the pulpit, taking the place of the Reverend Luther M. Schliesser Jr., resident minister of the church. Dr. Schliesser, who is an author of a book on sermons, has announced his topic to be "Christ's Heart-Searching Question." He will officiate at both morning services at Our Savior, 8:30 and 10:45 a.m. The Bible instruction class at 2:30 p.m. will continue.

Yerba Buena Parlor, NDGW, Elect Officers

The newly elected president of Yerba Buena Parlor No. 273 Native Daughters of the Golden West recently elected officers for the coming year.

"Official Detective" Program Honors Sheriff E. Whitmore
San Mateo County Sheriff Earl Whitmore received the "Award for Outstanding Detective Work" on "Official Detective" program to be heard Thursday, August 25, over KERC at 7 p.m. The Mutual-Don Lee program is heard coast-to-coast.

The citation, which is given weekly to outstanding law enforcement officers throughout the United States, honors Sheriff Whitmore for "running a well-organized law enforcement agency and the solving of a crime at Stanford university."

The case at the university involved the murder of a co-ed. Sheriff Whitmore arrested the killer shortly after the crime was committed.

The sheriff, besides receiving the award, was presented with

PASTAL DEER KILL DOWN
SLIGHTLY FROM 1954
Slightly fewer hunters, and correspondingly fewer deer taken, seems to be the general story of the August 6-7 opening weekend of this year's coastal deer season, according to reports from Department of Fish and Game wardens and other field personnel. In southern California, however, about 10 per cent more hunters and a 10 per cent higher bag than last year were reported.
Early deer tag returns at the department's central office in Sacramento totaled 3,645 as of the 7th day of the season, compared with 3,611 returns on the same day last year. But 180 of this year's returns were from Humboldt and in Diego counties, which were in last year's coastal season. Returns were still too fragmentary to give more than a hint of overall trends, the Department emphasized.
High county in the early figures was Mendocino, with a total of 38 returns. This compared with 28 last year. Lake county had 15, up 148 over the 1954 mark. Monterey tallied 341, against 359 last year.
Accidents reported to the Department included one death, in Lake county, and at least one bounding, in the same area.
A number of hunters were arrested for carrying loaded guns in their cars, wardens reported. No fires due to hunters were corded.
Wardens also noted a greater effort to keep campsites clean.

PICAL DEER HUNT
APPLICATIONS DUE, AUG. 25
Hunters who want to participate in the Napa, San Benito, and Mineral King special deer hunts must file their applications in the Department of Fish and Game, 26 J Street, Sacramento, by August 25.
Drawings for the 1,438 permits will be held August 31.
Dates for the three hunts are: Napa (750 permits) Sept. 24 to Oct. 3 inclusive.
San Benito (94 permits) Sept. 4-Sept. 26 inclusive, (94 permits) Sept. 30-Oct. 2 inclusive.
Mineral King (Tulare Co.) (125 permits) Sept. 29-Oct. 1 inclusive, (125 permits) Oct. 2-Oct. 4 inclusive, (125 permits) Oct. 6-Oct. 8 inclusive, (125 permits) Oct. 9-Oct. 11 inclusive.
The Napa and San Benito county hunts are for antlerless deer. Mineral King is an antler-sex hunt.
Purpose of the special hunts is to reduce overpopulations of deer which may be overbrowsing their ranges or creating crop damage problems.
Application forms are attached to the 1955 deer tags. Informational leaflets giving details of the units are available at Department offices and from all license agents.
Seven other special hunts have been scheduled for later in the fall, with applications for these due October 3.

DOVE SEASON TO OPEN ON A SATURDAY THIS YEAR

YMCA ANNOUNCES NEW PERSONNEL
In line with the new policy of the San Francisco YMCA to intensify its group work programs with teenagers in residential community branches, a major personnel change was announced jointly today by James E. Hammond, president of the San Francisco YMCA, and Victor Barbata, chairman of the Golden West branch (YMCA board of managers).
Charles W. Van Winkle, metropolitan field executive of the San Francisco YMCA, will accept a reassignment of duties effective September 1, in order to give full time to the improvement and expansion of teenage programs in the Golden West, Park Presidio, Mission and Marin county YMCA branches.
He will succeed John R. McKinley, former executive of the Golden West branch, who resigned August 1 to accept a faculty position with Contra Costa Junior college. He will also serve as executive of the Park-Presidio branch, and give direct supervision to the Mission and Marin county branches.
Van Winkle's staff associates in the Golden West and Park Presidio branches will be Ruth Hellman, Kenneth Munson and Dean McCluskey, who will supervise programs related to Hi-Y and Tri-Hi-Y members attending Washington, Lincoln and Lowell high schools; Richard Himebaugh and Eloise Mayo of the Mission branch; and Dr. Bradford Bayliss and Louis Albrecht, Jr., of the Marin county branch.

day, September 3 opening, has been approved by the California Fish and Game Commission.
The move was taken in response to sportsmen's requests for Saturday openings of all fish and game seasons, to give the average rod-and-gunner a better chance to get out on opening day.
Also missing in the 1955 regulations is the usual noon opening. Hunters can now start shooting one-half hour before sunrise on the opener, as well as on the other days of the September 3 to October 2 season, the Commission has decreed. Shooting must stop at sunset.
SAFETY CAMPAIGN CUTS ACCIDENTS BY A THIRD
A reduction of accidents by more than a third has been achieved in the first six months of the Department of Fish and Game's employee safety campaign, Director Seth Gordon has announced.
The Department's accident frequency rate for 1954 was 44.25 disabling injuries per million man hours worked. This compared to an over-all average for state agencies of 18.46.
Since the safety campaign started in January, 1955, the Department's accident frequency rate has been reduced to 29, a drop of 34 per cent.
After only six months of safety campaign, accident compensation payments for the 1954-55 fiscal year dropped \$16,000 from the \$56,000 paid out in the 1953-54 fiscal year.
NEW SALMON & STEELHEAD FISHING MAP AVAILABLE
Salmon and steelhead fishing map, showing when and where to fish for these big fighters in California, is now available from the Department of Fish and Game.
The map covers both stream and ocean fishing, and includes an outline of the Department's extensive program to protect and maintain this popular fishery.
Maps may be obtained free by writing the Department of Fish and Game, 926 J Street, Sacramento, and enclosing a legal-size, self-addressed stamped envelope. Maps are also available from regional offices of the department in Redding, Sacramento, San Francisco, Fresno, and Los Angeles, and at the Eureka, Monterey, and San Diego offices.
ANGLERS' GUIDE TO FISH CREEK AREA AVAILABLE
An Anglers' Guide map to the Fish Creek Area, at the crest of the Sierras in the northeastern tip of Fresno County, has just been published by the California Department of Fish and Game.
The map shows trails and camp-sites and details fishing conditions in 53 of the area's 67 lakes—many of them stocked with golden trout, the prized State Fish.
Maps are available, free, from the Department of Fish and Game, 926 J Street, Sacramento, and from the Department's regional offices in Fresno, San Francisco, Los Angeles, Redding, and Sacramento. Mail requests should be accompanied by a legal-size, self-addressed stamped envelope.

Entering students whose names begin M through Z will take the English tests at 8 a.m. and the aptitude test at 1 p.m. On September 3 students whose names begin A through L will take the English placement test at 8 a.m. and the aptitude test at 1 p.m.
Registration for all students whose names begin with M through Z is on September 7 at Coyote Point Campus. On September 8 students whose names begin A through L will register at Coyote Point Campus. Classes begin on September 12.
Broadmoor Community Presbyterian Church Women Plan Meeting
The monthly meeting of the Women's association of the Broadmoor Community Presbyterian church will be held Tuesday, September 6, at the church, according to Mrs. Edith Warmoth, publicity chairman.
A potluck dinner will precede the regular meeting which starts at 7 p.m. A business meeting, devotional and program will follow.
Speaker of the evening will be Mrs. Harper, missionary from Brazil. All women interested are cordially invited to attend as guests of the association.

Hold Gala Parade Saturday

(Continued from Page 1)
Daly City chamber of commerce.
"Little Miss Daly City will be crowned with a flower wreath donated by the Tanforan flower shop, 6178 Mission street. The flower shop also will give a crown for Miss Watson and bouquets for both girls.
All contestants will ride in the parade.
Twelve applicants have so far signed to enter the contest.
Contestants
They are: Patricia Keates, 4, 20 Lynnewood drive, apt. 25; Lynn McKerrit, 4½, 81 Wilshire avenue; Linda Trieber, 3, 194 Ashland drive; Denise Petty, 3, 70 Oaklawn drive, apt. 21; Susan Palmer, 3½, 20 Florence Grove drive; Susan Linda Bain, 4½, 665 Orange street.
Colleen Shannon, 4½, 6781 Mission street; Janice Lundghi, 3, 115 Bale street; Christine Lucia, 3½, 290 Los Banos avenue; Nancy Feldman, 3½, 219 Glenwood avenue; Roberta Ray Christian, 4, 563 Templeton avenue; and Karen Ahneman, 5, 177 Westdale avenue.
Again this year the Twelfth Naval District Electronics school band will lead off the parade after David. Also to be provided by the navy this year is their state champion drill team, a WAVE drill team, a Marine drill team and a carrier float.
National Guard
Ninety men of Daly City's Company L of the California National Guard, 49th Infantry division will again this year participate in David's Parade. The marching unit, drill team and color guard will all be made up of non-commissioned officers and will be under the direction of Sergeant Robert Kirk.
The local national guard unit is also providing a float for the winner of the "Little Miss Daly City" contest and Miss Watson.
Miss James Sunderland's award-winning Pepperettes, who last year proved one of the most popular entrants, will again join the parade.
Chinese Corps
The Chinese Central High Drum corps, a group of Chinese girls, have promised to participate. The 30 girls will be transported to Daly City by the Peninsula Bus Line, the officials of which have donated a bus for the occasion.
Also to be in the parade are a horse for David and several antique wagons and carriages donated by the Mar Vista stables on Skyline boulevard.
Following the parade, free ice cream, donated by the Golden State company, and cookies, donated by Henry Doelger, will be given to the participants in the rear of the shopping center.
Doelger has also given \$50 to David for his "hard work" on the parade and five \$5 gift certificates to the Westlake shopping center as prizes.
Parakeet
Most unusual prize so far donated is a parakeet by the Westlake Pet shop. Other local firms who will offer prizes are Hilltop Market, Westlake Hardware, Crown Drug, Toy Circus, Kiddie Ville, Town and Country Food Center and Westlake Liquors.
Gateway Chevrolet will lend a convertible to the parade.
James Mason, Daly City recreation director, reports that the recreation department is busy preparing for the parade. The children in the department program will make up a large part of the total participation.
Both the fire department and

THE WAVES DRILL TEAM of the U. S. Naval Air Station, Alameda, will be one of the colorful participating groups in Daly City's parade, "David's Parade" this Saturday, starting at 1 p.m. Music and marching groups are strictly volunteer and will be represented by the U. S. Naval Electronics School Band, Treasure Island Electronic Drill Team and the Marine Detachment Drill team. These groups are strictly volunteer and practice and participate in all civic events on their own time and at the expense of their weekend liberty.
McHugh led the hitting attack for the Yankees with a perfect day, three hits in three trips. Howell and Parker both got two for three.
Manager Bud Christian of the Yankee's and Lowell Creighton Sr. of O.L.P.H. have not announced their starters for the second game, but will probably go with the same pitchers Saturday.
Yankees Take First Playoff Tilt 1-0
Allowing only two hits, pitcher Terry Christman of the Broadmoor Yankees led his team to a 1-0 victory over O.L.P.H. in the first game of the playoffs for the little league championship.
The little leaguers will meet again Saturday at 11:30 a.m. at Marchbanks park.
While allowing his pair of hits Christman walked five and struck-out five men. Although the Yankees banged O.L.P.H. pitcher Dick Reese for 12 hits, they were only able to salvage one run.

COUNTY ROSE SOCIETY DONATES PRIZE BUSHES TO AREA BLOOD BANK
The San Mateo County Rose society this week donated 14 prize rose bushes to be used as a living memorial to the Peninsula Memorial Blood Bank in Burlingame.
The Roundelay Rose Bush, a new Armstrong Nursery hybridization, won a first prize last year at the San Mateo County Rose Society exhibit at the county Fiesta.
"We are deeply grateful for this wonderful gift from the society," said Dr. Carl L. Hoag, president of the Blood Bank. "These lovely blooms will certainly add much beauty to our landscaping."
The Daly City Scavenger company will enter equipment in the procession.
Also to participate are marching units of boy and girl scouts.

News From The Parks

COMMUNITY CENTER

The activities at Community Center this month can be classified in three groups: athletic, social, and quiet activities.

The athletic activities have been volleyball, basketball, badminton, and the Teen Age Basketball League.

The degree of participation in these sports is varied, but basketball is by far and wide the most popular. The Teen Age Basketball League has been a big success both from the standpoint of player participation and spectator attendance. Volleyball is very popular as a mixed group sport, and is number one with teen age girls. Most of the youngsters from ages 8-12 are also active participants in volleyball games.

The social activities for the month have been the teen age dances and the Queen Contest. The dances have been a tremendous success in bringing the teen agers out and the response is decidedly on the increase. As far as teen agers are concerned they can't have enough dances. The Queen Contest was not a tremendous success from the standpoint of attendance, but it was nonetheless enthusiastically received by both participants and spectators.

The Quiet Activities consists of checkers, chess, and ping pong. All these games are played in the play room. While these activities are not as popular as the games played in the gym they still cater to the more serious moods of those children who come to the Community Center.

MARCHBANK PARK

After a very slow beginning, our baby picture contest turned out to be quite a success. The brave ones like the Russells, Leslie and Buz, Tom Joyce and Tom Glassers were the first to enter their baby photo. It took a few days before the other pictures came rolling in. It seems "grown-ups" of 10-12 don't like to be seen in that infantile diaper stage. By the final entry date there was a total of 46 pictures. The judges had a difficult task in selecting a winner. The ladies finally divided the group into 2 categories—9 months and under and 10 months and over. The winners of the latter group were Rosemarie Stabel, George Claus and Arlene Day, and of the younger group Ginny Shroeder.

Kathy Rankin and Buz Russell. The judges hasten to add that each baby was a "doll," but not everyone can win.

Friday will be doll day at Marchbank Park. Dolls of all sizes, shapes, and ages will be eligible. There will be several classifications for winners. Prizes will be awarded for the most beautiful, biggest, homemade and oldest dolls. This event has always been a popular one. Even the boys can be seen carrying a "dolly." Of course, these dolls belong to their sisters or cousins, or so they say. If you're interested in joining us, come along to Marchbank Park on Friday at 2:00 p.m.

For the seventh consecutive year Marchbank Park has retained its Junior Olympic Crown. This year, as in the past, we left every other park in the dust by a margin of over 100 points. Class A of the boys had virtually no competition. Sonny Martinez, Paul Tapia, Ino Patron, Jack Bautista, Peter Garcia and Lenay Lamendola teamed up to swamp that division. The crowd agreed that Martinez is a mighty fine track man. This boy is really speedy. The crowd also showed its approval of Paul Tapia who after a bad spill in the fifty yard dash came back to win several other events. But this is only one division. Many others hold the blue ribbon of 1st place. Larry and Bill Kane racked up a tidy sum with their all out play. Tom Joyce, George Claus, Dave Iwashashi, Mike Kennedy, Steve Anderson, the Brunsons and Guillores all these and others were responsible for victory. And we must not forget our young ladies Lola Patron, Buz Russell and Pat Kennedy. All in all Marchbank had a very successful day.

FRANKFORT PARK

Frankfort Park has been the site of great Mike Brush's football team. His and Caper Caritt's teams have been having daily duels. Among the duellers are Abenar Curtin, Big John Vinal, Mighty Ron Camara, and Fortress Ron Sturm. So far these have been six man teams, but later on we hope for standard size teams.

Kids, Friday the 26th there will be a pet show at Lincoln for the children in the Frankfort-Lincoln area. Clean up your animals now and have them ready for the big day. Other coming events include

a doll show, bean race, and a tall tale contest.

This week we had ping pong—balance and relay races, for all age classifications. Steve Gaddell took the tiny tot honors, while Tony Waddell had the best balance for his age group. Winners of the relays were Marlene Knox, Danny Kilmade, and Herb Menekan.

Monday's Treasure Seekers found pieces of 8, raw silk, emeralds, and candy bars! Rich Hansen found an original painting. Chuck Oliveira a fine casted ceramic pin, Pat Hethcoat perfume, and Tim Hadenfield filled his pockets with candy.

LINCOLN PLAYGROUND

Now that the summer vacation is drawing to a close, to look back on our playground activities we have been very successful in our endeavors for a well rounded program. Our weekly excursion trips have handled at least 25-30 boys and girls on each excursion. Handling this number of children effectively would not have been possible without the able assistance of Marg Bellanger, Judy Dunne and Bob Rich.

The present director is leaving as of this Friday and another director is taking over. His name is Rich Watso, he will finish the last weeks supervision of the recreation program for the summer.

EDGEWOOD PLAYGROUND

After practicing for weeks the boys and girls at Edgewood made a very good showing at the Junior Olympics. Sherry Newton, of the girls B class, walked away with 6 ribbons and Tommy Enberg of the Boys C group won 5 ribbons.

Saturday, Aug. 20th, old and young alike were searching for items at the Scavenger Hunt. First one to bring in all the items was David McIntyre, second was little Janice Anghenti, who surprised everyone, third was Mike De Berne, and forth was Patty Doyle. Most others showed up with the items in the hour time limit.

Chinese Checkers has become very popular lately and a tournament is going to be held in the near future. Those interested sign up at Edgewood Playground.

ARCHERY

One of the high points of the Recreation Departments Archery Program took place this past week. An elimination tournament was held to choose the top 4 at each park who would represent their park at the All-City Meet. The highest scorers were chosen. Most had to battle 4-5 challengers and win them all before he was considered ready for the meet. The City Meet will be one of group

scoring—that is each park sends four people, but they are paired off so that the teams will be kept more or less equal. At the All-City, which will be a double elimination type tournament, three rounds for score will be kept for each challenger.

Those who qualified from the various parks are:

Colma I—Dan Rix and Melvin Horne.
Colma II—Gary Baughn and Bob Wisman.

Westlake I—Skipper Smith and Jim Fotenos.
Westlake II—Peter Pollat and Frank Bellante.

Frankfort I—Mariella Bisset and Chuck Oliveira.
Frankfort II—Ron Molinas and Mike Smith.

Marchbank I—Larry Day and Ricardo Gonzales.
Marchbank II—Mike Cox and Larry Cox.

Alternates—Jerry Benedetti, Gary Majourau, Robert Beukers, Rickv Craig, Danny Luciano, Bill Uccelli.
New additions, this last week, to the Bullseye Club were: Linda Jensen, Margaret Foxman, Ross Hongren, Wes Berry, Leora Marquardt, Carol Solari, Roger Bernard, John Villas, Chuck Oliveira, Ron Goldman, David Hoag, Gary Majourau, Stan Isaac, Philip De Campos, Joni Pollat. Many of the old members are still going strong in the club—the leaders are as follows:

Olympia: Mike Majourau 13, David Gehre 12; Colma: Dan Rix 51, Bob Wisman 14, Gary Baughn 17, Danny Frankfort 12, Melvin Horne 11; Frankfort: Mariella Bisset 8, Ron Molinas 10; Westlake: Skipper Smith 17; Jefferson Elementary: Mike Blume 46, Dick Tomlinson 25, Wayne Gordon 11, Jerry Benedetti 10, Bill Uccelli 8, Mike Roval 9; Marchbank: Mike Cox 13, Larry Cox 6, Ricardo Gonzales 7, Larry Day 11.

ARTS & CRAFTS

This past week was the last week of Arts and Crafts for this summer. We hope that the children of Daly City enjoyed our program and will again participate next summer.

The Arts and Crafts show will be held at the Daly City Community Center on Wednesday and Thursday, August 24-25, from 2-4 in the afternoon and 7-9 in the evening. We invite all children and

THE RECORD SPORTS

Westlake Rockets Drop Series Opener To San Carlos 5-4 For Peninsula Title

Meeting the San Carlos Lions in a two of three play-offs series to determine the San Mateo Peninsula Baseball League Champion, the highly heralded Rockets fizzled in the bottom half of the seventh to go down in defeat 5 to 4.

Following a twelve consecutive game winning streak over a period and leading for six and one-half adults of the area to come to see the exhibit of art work done by the children this summer. Many of the various projects will be demonstrated by boys and girls. Ribbons will be awarded for the best works in each category.

All children who participate in the show will be able to pick-up their work according to the following schedule:

Monday, August 29—Colma school 10-11 a.m. Jefferson 1-2 p.m.

Tuesday, August 30—Olympia 10-11 a.m. Crocker 1-2 p.m.

PENNY CARNIVAL

It's that time again. Time for the Penny Carnival sponsored by the Daly City Recreation Department. The past success of this popular event has prompted the launching of a "bigger and better" one. This will be the 3rd year for this popular event. There will be booths, prizes, and refreshments and all for the cost of only a few pennies. In addition the Mystery House, which was such a howling success last year, will again make its bid to frighten all those who dare to enter.

On Wednesday, August 31st, 11:30 at Marchbank Park the Penny Carnival will open to the public.

score 4 to 2 and the Lions' eighth and ninth batters standing in it seemed a virtually assured victory for the Rockets.

Paul Tapia, who had been pitching fairly good baseball up to this point, though not his usual steady game, contributed to his own downfall when he walked both Steele and Helton. Justus forced Steele at first and Alaura followed with a single to load up the bases and set the stage for the Rockets' first defeat in this Peninsula league play in two years.

Vinal caught one of Paul Tapia's fast balls and sent it sharply to left field only to have Gerry Kennedy field it smoothly and commence a game ending double play. However, just as Gerry was set to throw to Jack Bautista for the relay to Jim Wilson, Bautista was out of position on the fast moving play and Gerry elected to go for the one out by hurrying his throw to Wilson at first. In his anxiety he threw high and hard and the ball sailed over Jim's head to allow the first run to score. Wilson chased the ball down and with Helton rounding third he fired home to Martinez to cut off any more damage. Once again, the ball came no where near its destination and Helton checked across with the tying run. As if this weren't enough charity for one afternoon, Sonny Martinez picked the ball up and when he saw Vinal going to second threw down but the play could not be executed and the ball was quickly relayed home as Alaura had by now come all the way from first in an attempt to score the tie breaking run.

The Rockets added another run in the sixth when Gordy Tydingco once again grounded out pitcher to first but, left handed swinging Jim Wilson followed with his second hit of the afternoon when he singled to right field. Paul Tapia and Sonny Martinez also picked up their second hits of the afternoon with back-to-back singles to score Jim Wilson with the third run of the game. The Lions strid run of first of their two of five winning runs in the sixth when Paul Tapia walked Justus and Alaura followed with a single to push Justus to second. Vinal grounded sharply to Tydingco who stepped on third for a force out. Turnbull flew out to Wilson at first but O'Neil followed with a long double to right center field and the score was 3 to 2.

In the top half of their seventh, the Rockets scored what seemed to be the insurance run. With the

Cub Pack 63 Down Park Merced Nine

Last Saturday in a hotly contested game Cub Pack 63's team downed a strong Park Merced group 9-4 on Merced home field.

Gordon Wiles, pitching for Cub Pack 63, had a shut-out going up in the 7th inning when Parkmerced finally broke into the scoring column. Wiles' record stands at 10 wins and 2 losses. Catching for Pack 63 was John Kereke.

David "Buzz" Romero and John Kerekes were the days leading hitters, getting 2 for 4 each.

Other members taking part in 63's victory were: Dan Dempsey, Bob DeGroot, Bob Rasmussen, Dick Holmberg, Lee Klingler, Mike Shelper, Dave Dempsey, B. Cunningham, Joe Gordon and Mike Rayburn.

Varsity awards will be issued at the Packs coming meeting Friday September 2. Plans are being made for a Pack "carnival" to be held in October.

After shopping around, I found that

a new Ford costs less than a good used car!

Costs less to buy, because

the record-breaking trade-in allowance that authorized Ford Dealers are now giving on your old car and Ford delivered prices as low as \$1759* make the cash required amazingly small!

Costs less to finance, because

your authorized Ford Dealer's long-term, low-interest new car financing is adjusted to what you want to pay monthly!

Costs less to run, because

new car guarantees and legitimate service by your authorized Ford Dealer give you years of trouble-free driving at minimum cost!

A better investment, because

low price, top deals and Ford's top resale value makes a new Ford your best transportation buy! See an authorized Ford Dealer this week.
